Objective: Create a 2D mixed media art piece that incorporates the main art filled area as well as the border around it.

Instructions:
1. Choose on your subject matter (suggestions: butterflies, insects (colorful), birds, sea animals-with flowing fins or tentacles, flowers, candy (spilled candy!)),).
2. In your sketchbook, draw a rough sketch of your design. (Quiz Grade)
   1. Start with the outside border, then draw an interior rectangle.
   2. Place your focal point in the Rule of Thirds.
   3. Creatively expand part of your design onto to the outside border.
3. When you have your final design approved by Mrs. East, you may begin on the final paper. We are using a special thick drawing paper.
4. Begin LIGHTLY drawing your interior rectangle by measuring 3 1/2” in from each side.
5. Draw your main subject matter in lightly.
6. Add your background extending ONLY PART of it to the edges of the paper. (visually, I recommend for 3 sides)
7. Paint your main subject with watercolors.
8. Apply India ink to the subject matter (outline & add details) & to the area beyond the border (this part will ONLY be black & white- can use hatching & cross-hatching to show value changes).
